

INVEST IN DIGITAL AND SEE YOUR BUSINESS GROW

Research shows that in response to Covid-19, on average, businesses' digital offerings leapfrogged seven years of progress.

Digital technology is transforming the way in which businesses operate, helping them to gain a competitive edge and achieve long term success.

At Digital Enterprise we can support you in the understanding and adoption of technologies that can help you to improve productivity and increase profit.

How can we help?

Our Digital Growth Vouchers, which are worth between **£2,000** and **£12,500** are designed to help small to medium sized businesses that are looking to grow, by covering some of the costs of their digital or IT investment, so that they can achieve greater profitability and reach their full potential.

How does it work?

- Our vouchers can fund up to **50%** of the cost of a project.
- The project funded must be between £4,000 and a maximum of £25,000 in value.
- Eligible projects can include purchase of hardware (such as laptops, tablets, servers), software including CRM and ERP systems, development of websites and apps, plus improvements to connectivity such as VOIP systems.

Am I eligible?

- You should have been trading for at least 12 months and have a minimum of 2 employees (maximum 250).
- Be trading predominantly in a business to business (B2B) environment (at least 50%).
- Be based in the Leeds City Region area.

How do I apply?

To register for the Digital Growth Voucher scheme, visit www.digitalenterprise.co.uk/vouchers/
