

# Looking for work or help to get your career started?

We offer free support to help you into work, training, or an apprenticeship. The team will help you:

- Explore your career options or help you change career direction using your transferable skills
- Understand and talk confidently about your skills and knowledge to potential employers
- Update your CV and fill in job applications
- Prepare for interviews, work trials and the working environment
- Find work experience opportunities
- Discover new jobs being advertised in the local area
- Find suitable training courses
- Connect with other local support providers

Send us an email and we will be in touch:
