

The Employment Hub

Not quite ready to find a job but want some support to be ready in the future?

Our Employment Hub team offers a mentoring service that will help you:

- Build confidence, self-esteem and work readiness
- Better understand and talk confidently about your skills and knowledge
- Search for jobs, develop a strong CV and write application forms
- Access free training and short courses to enhance your skills and knowledge
- Access debt, budgeting and art courses that meet your needs
- Connect with our partners who offer housing, mental health and counselling support
